WHAT IT DOES:

Love Your Body Polish combines our famous Love Your Body Oil with Himalayan pink salt in a unique body polish to help remove spent cells and increase blood circulation – stimulating new life into your skin.

Dried by the sun at a time when pollution did not exist, Himalayan pink salt is totally pure and contains every mineral and trace element found in the human body. Combine this with the 12 therapeutic oils in our Love Your Body Oil you'll be hard pressed to find a body polish as restorative as this one.

THE GOOD STUFF:

(Himalayan pink salt), Persea Americana (Avocado oil), Rosa Canina (Rosehip oil), Pelargonium Graveolens (Geranium Bourbon essential oil), Pogostemon Cablin (Patchouli essential oil), Cananga Odorata (Ylang Ylang essential oil), Mixed Tocopherols from Non-GMO Soy sources (Vitamin E oil), Lavandula Angustifolia (Lavender essential oil), Corylus Avellana (Hazelnut oil), Myristica Fragrans (Nutmeg essential oil), Cocos Nucifera (Coconut oil), Santalum Spicatum (Sandalwood essential oil), Daucus Carota (Carrot essential oil).

Skincare your body can trust™

LOVE YOUR BODY POLISH™

WORKS WELL WITH

Love Your Body Oil to bring enhanced moisture and softness to the skin.

HOW TO USE ME:

Perfect for use in the shower. Dampen your body with water and rub a small handful all over using a firm circular motion.

Enjoy the tingling sensation of your blood circulating and the salts cleansing your pores. Rinse off and you'll feel like you've polished new life into your skin.

REMEDIAL BENEFITS:

Himalayan pink salt – assists in the cellular absorption of minerals and helps replenish electrolytes and balance your pH levels. When absorbed through the skin it helps to re-mineralise the body with 84 minerals and trace elements.

Avocado oil - contains Vitamins A, B1, B2, D, E, and Beta-carotene. It soothes and moisturises dry, mature and climate damaged skin.

Hazelnut oil - Well known for its astringent qualities, it's deeply penetrating and stimulating to the circulatory system and it helps to tone and tighten the skin.

Sandalwood essential oil - has a calming, harmonizing effect helping reduce tension and anxiousness. It's a centuries old remedy for stress, depression and fear. It's also effective for dehydrated skin and relieves itching and inflammation.

Patchouli essential oil - is soothing for the nervous system and may help relieve the symptoms of anxiousness and stress. It's used as a tissue regenerator – helping to stimulate the regrowth of skin cells.

Nutmeg essential oil – known to invigorate the mind, this oil's analgesic properties have been used to help relieve rheumatic pain.

Frequently Asked Questions:

When will I notice results?

The polish works immediately, as you slough away the dried skin cells on the surface, you'll reveal more youthful looking skin.

Do I have to moisturise after I use the polish?

The essential oils contained in the polish are nourishing and hydrating, while it is not necessary to moisturise many customers enjoy finishing their exfoliation routine with Love Your Body oil for super smooth and silky skin.

How often does the skin renew itself?

The epidermis or surface layer of the skin is renewed every two to four weeks. Exposure to the elements such as pollution, air-conditioning and diet related factors will affect the appearance of your skin.

What's its shelf life (unopened and opened)?

The product has a 2 year from manufacture use-by date on the jar.

Best used within 12 months of opening.
