## WHAT IT DOES:

Once you've tried our Nasalette™ Essential Oil Inhaler, you're going to wonder how you lived without them! They're little pocket diffusers you can take anywhere with you, refillable, and full of potent, targeted all natural goodness.

Each one focuses on a different area of wellbeing, harnessing the channels of the olfactory system to deeply affect brain and body systems.

Small and inexpensive, they slip easily into a pocket, purse or travel bag.

Together with a bottle of one of our remedial Essential Oil Blends, they make the perfect gift!
