

SOLID SHAMPOO BARS

ABOUT US

Australia is blessed with some of the world's best natural plant oils. At the Australian Natural Soap Company we use our own special soap-making process to bring these incredible ingredients to your bathroom.

All our handmade soaps are palm oil free, cruelty free, paraben free, sulfate free, detergent free, biodegradable & vegan.

They have been carefully crafted to gently cleanse the skin of impurities without the use of harsh ingredients such as sulfates or artificial fragrances that can be drying and irritating. Instead each soap is cured naturally for four weeks so that it retains the nourishing and moisturising properties of the plant oils.

SOLID SHAMPOO BARS

A natural, solid shampoo is the perfect option for those wanting to reduce plastic waste & choose a truly natural alternative to detergents & sulfates that can irritate. We use only natural plant oils that work with your hair's natural oils for extra body and shine.

For all our solid shampoos, we recommend applying directly to a wet scalp & then massaging to the roots & rinse. The plant oils will shampoo & condition your hair.

ORIGINAL SOLID SHAMPOO

Keep a clear and clean head with our natural solid shampoo that is enriched with moisturising plant and nut oils. A thorough but gentle wash that's totally free of harsh chemicals that disrupt the natural oils our hair, scalp and waterways need to remain happy and healthy.

SOLID SHAMPOO - SENSITIVE

This softly scented soap uses only the gentlest plant oils to deliver a shampoo perfect for those with a sensitive scalp. Sweet almond oil nourishes hair and helps to fight hair loss whilst grapeseed oil, packed full of vitamin E, and coconut oil, rich in fatty acids and minerals ideal for longer stronger hair, will add major life and shine to your locks.

SOLID SHAMPOO - OILY HAIR

This solid shampoo will thoroughly cleanse your hair of build up and add volume and shine to oil deadened strands. We have combined sweet almond oil, grapeseed oil and coconut oil, a trio packed full of fatty acids, minerals and vitamins all necessary to nourish and protect your hair, whilst tea tree, lemon oil and lemongrass work together to combat an oily scalp and leave you feeling refreshed.

SOLID SHAMPOO - DRY HAIR

An amazing and beautiful smelling cleanse for those with dry hair. The fatty acids in Macadamia oil nourish and moisturise brittle hair adding shine and strength to seriously dehydrated strands whilst argan oil, often referred to as liquid gold, tames unwanted frizz and treats those pesky split ends. Lavender, clary sage, and peppermint oil, all known to stimulate hair growth, add a beautiful and energizing scent sure to have you singing in the shower.
