## WHAT IT DOES:

Well we could start with its super skin suppling abilities. Or its ancient anti-aging powers. Or maybe it's because it deeply hydrates and protects for hours after application. Whatever it is, you'll love your face like never before after using our Love Your Face Serum.

This stuff puts back into your skin what life takes out. Highly concentrated to deeply nourish, our serum absorbs instantly whilst still allowing your skin to breathe. And it's amazing at replenishing the skin before a day at work, night out or a good night's sleep. What's not to love about that?

## THE GOOD STUFF:

Prunus Armeniaca (Apricot Kernel oil\*), Simmondsia Chinensis (Jojoba oil\*), Oenothera Biennis (Evening Primrose oil\*), Argania Spinosa (Argan oil cosmetic\*), (Vit E 50 - Mixed Tocopherols from Non-GMO soy sources), Citrus Aurantium (Neroli essential oil), Rosa Canina (Rosehip oil), Santalum Spicatum (Sandalwood essential oil), Cymbopogon Martinii (Palmarosa essential oil), Rosa Centifolia (Rose Maroc essential oil), Cananga odorata (Ylang Ylang essential oil).

# LOVE YOUR FACE SERUM™

**WORKS  
WELL WITH**

Balm Of Ages to provide intense moisture to any patches of dryness.

## HOW TO USE ME:

So incredibly nourishing and rich in remedial properties, you only need 2-3 drops on your fingertips before gently patting onto freshly cleansed face. Don't forget to close your eyes and let the scent relax your mind – this is part of your skincare ritual too.

Use morning and night or as a primer before applying makeup.

## REMEDIAL BENEFITS:

**Organic Apricot Kernel Oil** – is easily absorbed into the skin, making it particularly helpful for dehydrated, distressed and mature skin. It is particularly rich in both oleic acid and linoleic fatty acids, helping it to fight fine lines and revitalizing the skin.

**Organic Jojoba Oil** – is perfect if you suffer from acne-riddled, prematurely ageing or otherwise problematic skin as it mimics human sebum more closely than any other compound in nature. Therefore it assists in bringing balanced moisture to all skin types.

**Organic Evening Primrose Oil** – is exceptionally rich in essential fatty acids which help to rejuvenate your skin, dramatically decrease fine lines and wrinkles, help smooth rough skin surface and encourage the production of new skin cells. It aids skin repair, helps to lighten dark circles under the eyes, gives skin better elasticity and noticeably reduce redness by evening skin tone.

**Neroli essential oil** - helps improve elasticity in the skin. It acts as a rejuvenator for mature and sensitive skins because it is capable of stimulating the growth of new cells.

**Ylang Ylang essential oil** - has a soothing effect on the skin and its balancing action restores the balance of sebum secretion.

**Sandalwood Essential oil** – is excellent for dehydrated skin plus relieves irritation and inflammation of the skin.

**Vitamin E Oil** – assists in delaying the skin's ageing process. It contains powerful antioxidants that are necessary in fighting free radicals that cause damage on the cellular level.

# Frequently Asked Questions:

## Is a face serum helpful to acne prone skin?

Using the serum rehydrates your skin by feeding it the essential nutrients it needs to stay healthy. This helps prevent breakouts.

## I have oily skin can the serum help?

Oily skin can be due to the skin's natural oil balance being compromised. This can occur through using harsh cleansers that contain alcohol, foaming agents or harmful chemicals that strip the skin of its natural oils. Applying the serum, which contains essential oils with powerful healing properties communicate with and re-educate the skin to help restore its natural oil balance. This results in minimising or totally healing oily skin issues.

## Do I need to use a moisturiser as well as the serum?

No a cream moisturiser is not necessary as the serum contains all the ingredients necessary to deeply hydrate.

## Can I use it everyday?

Yes in the morning before applying make up and at night after cleansing your skin.

## What's its shelf life (unopened and opened)?

The product has a 2 year from manufacture use by date on the bottle but is best used within 12 months of opening.
